

Dear Marry,

Hi, hope you're doing well. It made me extremely happy to receive your wedding invitation, thank you very much for that.

Congratulations to the both of you for this amazing new stage in your lives. As your cousin I would love to attend your wedding and I wouldn't miss it for anything in the world.

I can't wait to see all of our relatives and catch up with them.

I hope the preparations are going well and that you aren't stressing too much about this. I know it's your big special day but you have to remember to take it easy and enjoy yourself, that is the most important part.

Let me know if you need me to help you in any way.

Take care,

Mihai
